## Membership Form

**The mission of City Arts Nashua** is to promote arts and culture in the Greater Nashua area, to act as a catalyst to help artists and arts organizations thrive, and to facilitate greater synergy among artists and arts organizations, business, government and the general public. The purpose of CAN's mission is to increase arts awareness, and to build an expanded audience as a means to greater economic prosperity. It fosters cooperation, collaboration and coordination among the artistic and cultural community, including visual arts, theater arts, musicians, and writers.
